

2023 CONTEMPORARY ART SALES FOR ART CREATED AFTER 2000

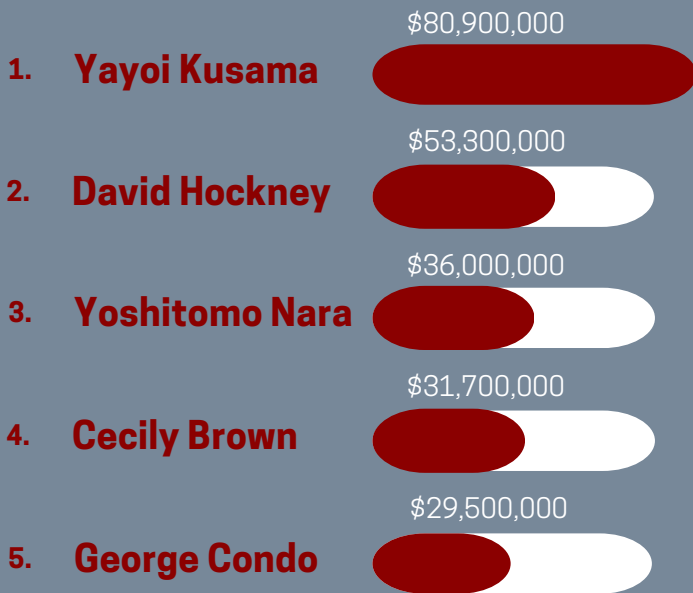

Overall the art market for art produced after 2000 was down y/o but above 2019 pre-pandemic levels.

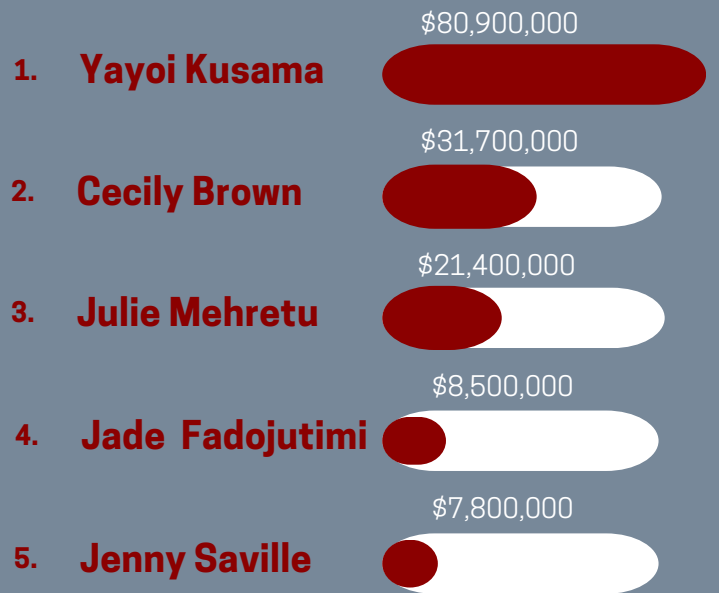

New York is still the place to be to get contemporary art, but Hong Kong is up in a strong 2nd place driven by demand from Mainland China.

The top 5 contemporary artists sales value was over 1/4 of a billion dollars. When segmenting further we see top female artists at \$150 million in sales value and artists under 45 with a respectable ~ \$59 million.

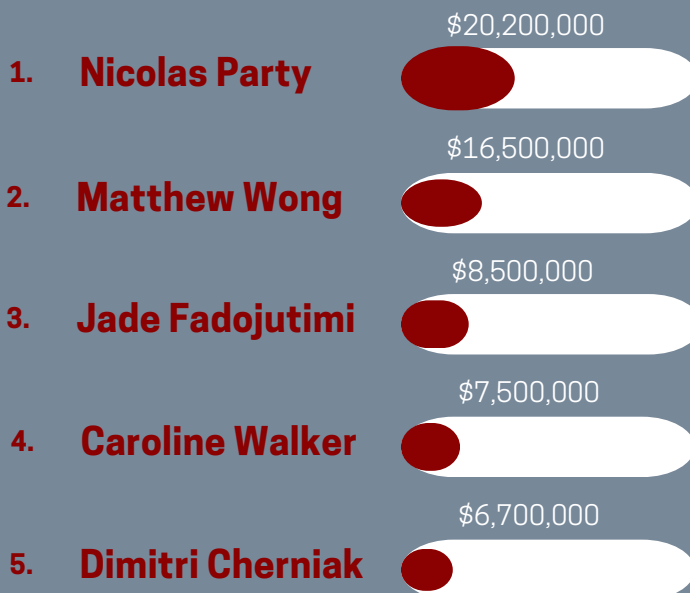

TOP ARTISTS

TOP FEMALE ARTISTS

Artists under 45 y/o

Liu Ye was the only Chinese contemporary artists in the top 15, ranked 12th with sales valued at over \$15 million.
